“Roboteii-CNU”

TEAM APPLICATION DETAILS: FOR ALL TEAMS, FOR SEASON 2018/2019:

- *The selection process requires an application on behalf of the team consisting of 3 materials uploaded in the fields below by October 1st, 2018, 15:00*
- *The application will be valid only when all three materials are submitted.*
- *Please follow the rules and upload exactly the requested files formats.*
- *All 3 materials need to be uploaded in your Application no later than October 1st, 2018, 15:00*
- *The materials can be submitted in Romanian or English.*

Material 1: Please upload here a pdf file with a one-page narration on the subject:

WHAT DO YOU THINK IT WILL BE THE EFFECT OF ROBOTICS AND STEM STUDIES FOR YOUR FUTURE?

Evaluation criteria:

- We would like to see *your true and honest opinions, based on your life experiences, readings;*
- We would like *to hear about real examples, things relevant for your life ;*
- The application should be written *by the students in the team,* not the mentor ;
- The application can be in **Romanian or English;**

Material 2:

Please write below the link of a **3 minute video** (youtube.com, facebook.com link) with your team members discussing 3 TOPICS:

2.1 WHAT DO YOU THINK IT WILL BE THE EFFECT OF ROBOTICS AND STEM STUDIES FOR YOUR FUTURE?

2.2 WHAT DO YOU EXPECT TO LEARN FROM FIRST Tech Challenge robotics program?

2.3 HOW DO YOU PLAN TO USE THE KNOWLEGDE AND SKILLS IN THE FUTURE?

Evaluation criteria:

- Be creative in the way you execute the movie
- Be realistic in your answers, and still, be creative and optimistic

Material 3:

Please upload here a **jpeg file presenting your team identity (name, logo, motto)**.

- At the moment of your application and during the competition season we will collect personal information from the mentors and team students (e.g. Name, photos, videos, texts). Your application to the program means your consent to the data collection process.
